Dear Technology and Innovation Working Group Members,

On behalf of the global Food Security Cluster, I would like to invite you to participate in the Face-to-face meeting of the **Technology and Innovation Working Group to be held at the Food and Agriculture Organization of the UN (FAO), in Rome, Italy, on 13 June from 11.00 am – 12.30 pm in the Mexico Room (D211).**

The purpose of the meeting is to review the work of the Working Group during the first half of 2016 and to identify/reaffirm priority areas for 2016. The agenda will be circulated later on.

Unfortunately, due to financial constraints, the global Food Security Cluster will not be in a position to cover any expenses relating to your participation.

Kindly confirm your attendance by **24 May 2016** to Marisa Muraskiewicz ([marisa.muraskiewicz@wfp.org](mailto:marisa.muraskiewicz@wfp.org)). Participants who require a visa should check with the embassies/consulates in their respective duty stations/countries and make necessary arrangements. Please contact Nancy Alvarez ([nancy.alvarez@wfp.org](mailto:nancy.alvarez@wfp.org)) ASAP should you require an invitation letter or any other type of assistance in this regard.

I hope you will be able to join us in Rome in June and thank you for your valuable contribution.

Sincerely,

Marisa Muraskiewicz
